COMMENTARY- Commentaries will be given to judges prior to evaluation.
NOTE – State Fashion Revue requires commentary to be 60 words or less.
Describe what you are modeling—pattern used, fabric, and color. List any special design or fabric features. Describe detailing that was challenging to do, or any special feature of construction to which you would like to call attention. Describe all accessories and explain why you chose them. Make this as complete as possible; this is the information the commentator will read while you model. Use your name; she, her, not I or my. You may include your club, how many years in project etc.

If more space is needed, use back of form.

Please Note: Type or print clearly in ink (computer-generated is acceptable). Attach a 3” x 3” swatch of the fabric(s) you used to the upper Left-hand corner of this Entry Description Form.
