### Twin Palms Dog Project

by: Trinity Teasley, Twin Palms 4-H

Today we had our first dog training project meeting. It was more like a meet and greet day. What we learned today was how to walk our dog. We also went over some problems like dog aggression and dog fear. We had about 6 dogs and we learned how to properly introduce them to each other if they were dog friendly. We all practiced the “watch me” command and were given homework to practice until the next meeting. It was a lot of fun meeting the new dogs and members. By the end of the class the aggressive dog and the fearful dog had improved so much! We even went on a small walk together.
