Local 4-H - Presentation Day

Public speaking continues to be a cornerstone of the 4-H Youth Development Program. On Presentation Day 4-H members present a demonstration, talk, speech or skit on topics they have researched. To prepare for a 4-H presentation, youth learn how to:

- Research a subject
- Organize ideas in a logical order
- Share knowledge with others
- Create and use graphics to support their presentation

When youth teach project skills in a presentation format, it demonstrates advanced skills and a deeper understanding of what was learned. Share what you've learned; give a 4-H presentation.

Review the [UC 4-H Presentation Manual & Guidelines](#).

Shasta County 4-H Members Made History !

Disasters do not discriminate. They can impact people regardless of their race, color, creed, socioeconomic status – or age. That's why a nationwide effort to train young people in emergency preparedness continues to grow and is establishing itself in California.

The national MyPI (Preparedness Initiative) program, developed by Mississippi State University Extension, partnered with California 4-H this fall to train the state's first cohort of instructors, who will then lead trainings for young people in the coming months.

California is the 28th state/territory-level program to partner with the national MyPI team to train instructors – but the **first** to allow young people to participate in the three-day instructor workshop.

Of the 11 4-H-affiliated participants who completed the October training in Red Bluff, five were teenagers. All five teenagers were Shasta County 4-H members.

Golden Acres 4-H Club Annual Christmas Party

By: Lila Hammon, Club Reporter

On December 6th, 2023, Golden Acres held their annual Christmas party with a community donations drive. Golden Acres has a tradition of donating to our local community every year at Christmas. This year one of our 4-H families donated a fresh-cut Christmas tree with a stand, and our entire group donated ornaments to decorate. This decorated tree was donated to a family within our community.

Along with the tree and ornaments our 4-H families donations contained a \$25 Visa gift card, a Burrito Bandito gift card, many canned and other nonperishable foods, and toys that will be distributed to families in our local community. After all donations were collected our group enjoyed visiting and celebrating the season.

This year we enjoyed pizza together, along with many dessert treats that were brought and shared. Erin Paradis brought an ornament craft for the primary members to participate in making. We also had many games and other activities to enjoy.

Overall, it was a wonderful evening that I look forward to every year.
