In accordance with Federal law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the University of California, Division of Agriculture and Natural Resources (UC ANR) is prohibited from discriminating on the basis of race, color, national origin, religion, sex, gender, gender expression, gender identity, pregnancy (which includes pregnancy, childbirth, and medical conditions related to pregnancy or childbirth), physical or mental disability, medical condition (cancer-related or genetic characteristics), genetic information (including family medical history), ancestry, marital status, family/parental status, income derived from a public assistance program, political beliefs, age, sexual orientation, citizenship, or status as a U.S. veteran, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotape, American Sign Language) should contact the UC ANR ADA Coordinator, phone: 530-750-1317, email: daritz@ucanr.edu or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint with the USDA, a complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form, which can be obtained online at <https://www.ocio.usda.gov/document/ad-3027>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by: (1) Mail: U.S. Department of Agriculture Office of the Assistant Secretary for Civil Rights 1400 Independence Avenue, SW Washington, D.C. 20250-9410; or (2) Fax: (833) 256-1665 or (202) 690-7442; or (3) Email: program.intake@usda.gov. The University of California, Division of Agriculture and Natural Resources (UC ANR) is an equal opportunity provider.

Alternatively, a program discrimination complaint may be filed with the UC Harassment & Discrimination Assistance and Prevention Program (HDAPP) by email hdapp@ucdavis.edu or phone: 530-304-3864; or contact the UC ANR Title IX Coordinator at (530) 752-9466.

University policy is intended to be consistent with the provisions of applicable State and Federal laws.

Inquiries regarding the University's nondiscrimination policies may be directed to: UC ANR, Interim Affirmative Action Compliance Officer, University of California, Agriculture and Natural Resources, 2801 Second Street, Davis, CA 95618, (530) 750-1280. Email: tjordan@ucanr.edu. Website: http://ucanr.edu/sites/anrstaff/Diversity/Affirmative_Action/.

LOCAL 4-H

JUNE MEETING

Gage Lindsey, Foothill 4-H Reporter

Last Month I spoke about how to write a buyer's letter, and this month I'll share my top 5 tips on how to deliver a Grade-A letter and make yourself stand out to your potential buyer.

1. Wear your show whites. It's a simple thing to do, but can make all the difference.
2. Deliver the letter by hand. Some people won't even open it if it comes by mail.
3. Prepare what you're going to say ahead of time. A simple introduction can make or break your chances of securing a buyer.
4. Make the visit concise and quick. Because despite what you may think, some people do not want to hear why you named your sheep Princess Perfect Peaches.
5. Finally, answer the buyer's questions to the best of your ability and be prepared for one's like, "What kind of feed do you give them?", or "When was the last time you wormed your animal?"

Calling All Videographers

Clover Content Creators, A New "SPIN" on Project Delivery

Hey there 4-H members! Are you looking for something to do this Summer? Would you like to learn how to shoot and edit your own videos? Maybe you've already made some videos of your own, but you'd like to take your skills to the next level. You can do that and more in the Clover Content Creators Special Interest (SPIN) Project. Join us starting July 8th for a 10-week, online project, delivered through Canvas, a web-based learning management system.

Here are just a few of the topics you'll cover:

- * Digital Citizenship
- * Social Media Platforms for Video
- * Choosing the Right Equipment
- * Storyboarding and Scripting
- * Videography Basics: Types of Camera Shots, Camera Movements, Composition, Framing, Lighting, Sound
- * Video Editing

At the end of this project, members will have a Content Creation Challenge: Create a short recruitment video, that encourages other youth to join the 4-H program and can be shared on social media during your county's Fall 2022 enrollment drive.

Due to certain technical aspects and the online learning environment, this project is open to Junior, Intermediate, and Senior members only. Please complete the registration form [here](#) by Thursday, July 7th to enroll. Once your registration form is received, county staff will add you to the Clover Content Creators Project in 4-H Online. This project will run from Friday, July 8, 2022, through Friday, September 16, 2022. Information on how to get started will be available the week prior to the project start date. This project will be led by Nate Caeton, 4-H Advisor for Shasta, Tehama, and Trinity Counties. Please email Nate at nwcaeton@ucanr.edu with any questions.

FAQ's

- Q.** Do I need expensive camera equipment and video editing software to complete this project?
- A.** No! When it comes to cameras, use what you have. There are also a handful of free and free-to-try software programs that will meet your needs. We'll cover this in more detail once you're in the project.
- Q.** When will project meetings be held?
- A.** This project won't have formal meetings. Members will be able to complete each module at their convenience, as long as it's during the week that that module is active. Instead of mandatory project meetings, virtual meetups will be held once a week. Attendance will NOT be required, and members will be able to login/out as they please. Meetups are only meant to provide an opportunity for socialization and discussion and for those that may need help. Meetups will be scheduled after registration closes and members will be polled to help choose the day and time that works best for most people.
- Q.** How long will each virtual meetup be?
- A.** Each virtual meetup will last 1-hour.
